INDEPENDENT AUDITOR'S REPORT

**Board of Supervisors
Union Township
Douglassville, Pennsylvania**

President Judge of the Court of Common Pleas

Secretary of the Department of Community and Economic Development

We have audited the accompanying balance sheet - modified cash basis of Union Township, Pennsylvania, as of December 31, 2020, and the related statement of revenues and expenditures - modified cash basis, debt statement - modified cash basis, and statement of capital expenditures - modified cash basis for the year then ended in the format prescribed by the Department of Community and Economic Development of the Commonwealth of Pennsylvania.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; this includes determining that the modified cash basis of accounting is an acceptable basis for preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the modified cash basis - financial position of Union Township as of December 31, 2020, and the modified cash basis - revenues, expenditures, and changes in financial position, modified cash basis - debt statement, and modified cash basis - capital expenditures for the year then ended in accordance with the financial reporting provisions of the modified cash basis of accounting.

Emphasis of Matters

The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Consequently, certain revenues and related assets are recognized when received rather than when earned, and certain expenditures are recognized when paid rather than when a liability is incurred. The accompanying Annual Financial Report was prepared for the purpose of complying with rules and regulations of the Department of Community and Economic Development of the Commonwealth of Pennsylvania, does not include supporting disclosures or government-wide statements, and is not intended to be a complete presentation of the Township's assets, liabilities, revenues, and expenditures. Our opinion is not modified with respect to these matters.

Restrictions on Use

This report is intended solely for the information and use of the Board of Supervisors, President Judge of the Court of the Common Pleas, and the Secretary of the Department of Community and Economic Development, and is not intended to be, and should not be, used by anyone other than these specified parties.

NOTES / COMMENTS

The township has reported expenses under 429.00 for wastewater/sewage with no revenues reported under 364.10 as well as expenses under 448.00 for water system with no revenues under 378.00. This is due to the Township not having sewer and water related revenue streams but incurring expenses for sewage inspection fees and fire hydrant fees. Included in the general fund year end fund balance is \$591,928 assigned for future capital projects.

Pension aid revenue in 355.05 is reported net of \$2,269 returned to the state for overpayment due to an employee resigning in 2020.

The Township has a defined contribution pension plan that is not included within this report since it does not meet the definition of a pension trust fund under generally accepted accounting principles.
